

Yeongam, A Light of Southern Korea in the 21st Century standing on Rich and Wide Farm Land and Extensive Industrial Complex under National Park Wolchul Mountain holding the Prehistorical Spirit!

Now, we start the new challenge with one passion from united 600 thousand people in Yeongam.

"United People, Bountiful Welfare, Yeongam"

We are singing the chant of New Yeongam and strongly walking forward together to the New Bountiful Era.

I wish you always have great pleasures and satisfactions in the future and your family become full of love while experiencing new challenges and valuable achievements of Yeongam.

Experience new challenges and valuable achievements of Yeongam.

Thank you.
